EXTRA-CURRICULAR VERIFICATON FORM

Please list below all of your organized **in-school or out-of-school** activities that you are involved in. The activities may include academic clubs, sports teams, music lessons, art lessons, or religious studies. Do not limit your activities to this list but use it as a start. Feel free to include any organized club or activity on your list. Have each club or activity sponsor/coach sign the form to verify your participation. Include as many activities as you participate in during the school year and during summer vacation. **Include activities you participated in during grades 7 & 8 only**. List all 7th grade activities first and then all 8th grade activities. (We consider 7th grade starts the summer after 6th grade finishes.)
